Major Questions from Contractors Due: July 2nd, 2026, 4:00 PM PST

Bids Due: July 14, 2026, at 2:00 PM PST

Valley of the Moon Water District (District) is soliciting sealed bids from qualified contractors for construction of the CIP No. 3022 Altimira Middle School Fire Flow Improvement Project in Sonoma, California. The work generally consists of water system improvements to enhance fire flow capacity and system reliability, including installation of new water mains, pressure reducing facilities, fire hydrant improvements, water service modifications, connections to existing infrastructure, abandonment of select existing facilities, roadway restoration, traffic control, and all associated appurtenant work. The Engineer's Opinion of Probable Construction Cost is approximately \$3.63 million. Bidding documents, including plans, specifications, bid forms, relevant dates, and contract requirements, are available at www.vomwd.org/bids. The District reserves the right to reject any or all bids, waive informalities, and award the contract in the best interest of the District.
